## THE YELLOW FEVER.

The Deaths and New Cases Are on the Decrease.

New Orleans, August 21.—The outlook grows better each day and the physicians apparently have the contagion well in hand. The discovery of cases outside the city is the only cause for alarm.

There were only 19 cases reported up to noon today and two deaths.

DO YOU GET UP  
WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, uric acid, catarrh of the bladder and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work and in private practice, and has proved so successful in every case that a special arrangement has been made by which all readers of this paper, who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root, and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty-cent and one-dollar size bottles are sold by all good druggists. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

## WEST END SALE.

Green Chaires Purchased Fine Tract of Land Near Fannin.

Real estate seems lively not only in the city, but throughout the entire county, and a general air of confidence of the future is apparent everywhere.

Green Chaires of Old Town has purchased through J. W. Patton a tract of 560 acres in the West End, near Fannin. The tract is partly timbered, the remainder cleared for farming purposes. It is one of the most fertile tracts in that section, and Mr. Chaires' friends are congratulating him upon the purchase.

It is understood that the demand for real estate is also good in the East End, but owners of country property as a rule have no desire to sell.

## Will Keep Them Cool.

The congregation of the Methodist church will have no trouble in keeping cool in future, as three fans have been installed, and there will be no inconvenience from the heat.

"My congregation in a large measure have been accustomed to nodding," remarked Pastor Nixon in a good-natured way, "but I have the fans now, and inasmuch as they will tend to keep the crowd cool, they could do nothing more than to give the pastor enough attention to keep awake during the service."

The friends of Mr. Nixon present appreciated this remark, because they realize that he is one of the best in the Florida Conference. While they will continue to enjoy the sermons, they will nevertheless appreciate the fans, which will save a great deal of "extra effort" in trying to keep cool.

## Public is Aroused.

The public is aroused to a knowledge of the curative merits of that great medicinal tonic, Electric Bitters, for sick stomach, liver and kidneys. Mary H. Walters of 548 St. Clair Ave., Columbus, O., writes: "For several months I was given up to die. I had fever and ague, my nerves were wrecked; I could not sleep, and my stomach was so weak, from useless doctors' drugs, that I could not eat. Soon after beginning to take Electric Bitters, I obtained relief, and in a short time I was entirely cured." Guaranteed at all drug stores; price 50c.

## Attention, K. of P.

The regular weekly meeting of Mt. Vernon Lodge No. 20, Knights of Pythias, will be held at the lodge room over Dutton's bank this evening at 8 o'clock, at which a full attendance is desired, and visiting brothers will receive a cordial welcome.

## Cures Sciatica.

Rev. W. L. Riley, L. L. D., Cuba, New York, writes: "After fifteen days of excruciating pain from sciatic rheumatism, under various treatments, I was induced to try Ballard's Snow Liniment; the first application giving my first relief and the second entire relief. I can give it unqualified recommendation." 25c, 50c, \$1.00. Sold by W. M. Johnson.

## Another Important Transfer.

The transfer of property in the vicinity of the new University grounds has been so frequent and steady since Gainesville secured the location of the University that it has been difficult to keep up with same. No less than one hundred and fifty lots have passed into new hands, and still the activity continues.

The latest transaction was the transfer of eighteen lots, which Dr. D. N. Davis of Dunellon reports as having purchased. Dr. Davis is apparently well pleased with Gainesville, as has been demonstrated by this purchase. He states that he proposes to erect cottages upon six of the lots, and will likely place the remainder upon the market.

## Preached Fine Sermon.

Rev. S. B. Rogers of the First Baptist Church was greeted at the union service, Methodist church, Sunday evening, by one of the largest congregations of the season, despite the warm weather.

Mr. Rogers, who is one of the most pleasing and interesting speakers in the State in his profession, held his congregation for nearly forty minutes, and it was one of the most practical and forcible sermons ever heard from a Gainesville pulpit.

The church has been equipped with electric fans, which make the place very comfortable now.

## East Gainesville Progress.

While it is true that every section of the city is progressing in the matter of building, East Gainesville is receiving her share of the improvement. Many handsome homes have been completed in that section and many more are under course of construction. Among the latter is the house of August Wenski, which is located at the corner of Alachua avenue and North Evans street. This building will be two stories in height and will contain eight rooms.

Mr. Wenski proposes in a short time to erect two more cottages on his East Gainesville property.
